*Transforming Care. One Life at a Time.*

Cornell University Veterinary Specialists (CUVS) in **Stamford, CT**, is seeking a credentialed technician for our Dentistry & Oral Surgery Service. This is a unique opportunity to provide specialty care at the highest level.

The Service is run by our board-certified dentistry and oral surgery specialist and works collaboratively with other specialty services at CUVS. We provide a full range of advanced services and procedures including: comprehensive diagnostic and treatment planning; periodontal, endodontic and prosthodontic procedures; and oral/faciomaxillary surgeries. Fundamental to the success of the service are the skills of a credentialed technician with experience in advanced anesthesia. Our ideal candidate also possesses excellent communication skills and understands the value of the client's experience. Our team of technicians go above and beyond to ensure our clients' experience is just as extraordinary as the care we provide to our patients. This is an exciting opportunity for a specialty technician who desires to take their career to the next level.

CUVS is a mission-driven specialty and emergency center. We provide exceptional and innovative medicine within a patient-centered and service-oriented model. Established in 2011, we are a for-profit subsidiary of Cornell University. As such, our hospital combines the best aspects of academic practice with the best aspects of private practice to create a unique hospital model.

CUVS has board-certified specialists in Emergency-Critical Care (4), Internal Medicine (3), Surgery (2), Oncology, Ophthalmology, Dentistry & Oral Surgery, Cardiology, Dermatology and Sports Medicine & Rehabilitation, as well as advanced Interventional Radiology-Endoscopy. We boast a level 1 VECCS-certified ECC Department that has the expertise and technology for optimum patient care. **We have a truly exceptional and unique culture that makes for an exceptional work environment. This culture prioritizes and values the veterinary technician and their essential role in the clinical team.** Our doctors and technicians are a cohesive team of professionals who strongly believe in collaboration, communication, respect, and lifelong learning.

We are dedicated to helping our team members develop to their fullest potential and are proactive in assisting each individual to achieve their professional goals. Many of our technicians are credentialed veterinary technician specialists (VTS) or are being mentored toward VTS certification. We also have a developed Nursing organizational structure with leadership positions and training. **Why choose a hospital that offers you a job, when you can choose a hospital that offers you a career?**

Located in Harbor Point, Stamford, the area offers a rich cultural experience and myriad water and other outdoor activities. We are 45 minutes from Manhattan and minutes from commuter trains and the Interstate.

CUVS offers an outstanding compensation package, including CE allowance, matching 401k, medical, dental, pet, disability and life insurance. CUVS is a great place to utilize and grow your skills in a challenging, rewarding, fun, and respectful environment. Individuals with a passion for their work, a strong sense of collaboration and teamwork, and an appreciation for diversity are strongly encouraged to apply.
