

Cornell University Veterinary Specialists

Transforming Care. One Life at a Time.

HR GENERALIST

Cornell University Veterinary Specialists (CUVS) is seeking a dynamic and creative HR Generalist to help us deliver on our missions and further enhance our exceptional culture.

CUVS is a mission-driven specialty and emergency center, providing exceptional and innovative medicine within a patient-centered and service-oriented model. We are a for-profit independent subsidiary of Cornell University, and combine the best aspects of academic medicine with the best aspects of private practice to create a unique hospital model.

We are exceptionally proud of our culture and our people, and dedicated to helping our team members develop to their fullest potential. A talented HR professional will play a key role.

We're looking for a motivated and enthusiastic people connector: someone who thrives on helping others and is passionate about making CUVS the best workplace possible. The HR Generalist will be expected to learn about the business and the world in which we operate so as to design and implement programs that enable all employees to succeed and to deliver on our mission.

The HR Generalist will lead HR functions, including:

- Talent acquisition
- Onboarding
- Employee relations
- Benefits administration
- Performance management
- Policy administration
- HRIS design and administration

Essential prerequisites are 5-7 years of HR experience that includes HRIS management.

Located in Harbor Point, Stamford, on Connecticut's "Gold Coast", the area offers beauty, a rich cultural experience, and myriad water and other outdoor activities. We are 45 minutes from Manhattan and minutes from commuter trains and the Interstate, offering easy access to other parts of New England and the Northeast.

CUVS offers an excellent compensation package with terrific benefits that include CE allowance, matching 401k, medical, dental, pet, disability and life insurance.

This is an exciting opportunity to be part of creating new and exciting HR practices for a highly successful and collaborative hospital.

For more information regarding application, please contact hr@cuvs.org.
