

Cornell University Veterinary Specialists

Transforming Care. One Life at a Time.

ICU TECHNICIAN

Cornell University Veterinary Specialists is seeking a credentialed ICU technician. This is a unique opportunity to provide specialty care at the highest level.

CUVS is a mission-driven specialty and emergency center. We provide exceptional and innovative medicine within a patient-centered and service-oriented model. We are a for-profit independent subsidiary of Cornell University. As such, our hospital combines the best aspects of academic practice with the best aspects of private practice to create a unique hospital model.

Our ECC Department has the staff, expertise and tools for optimum patient care. The department includes an Emergency Service and a dedicated ICU, that are well staffed by a talented team of criticalists, experienced emergency doctors, technicians (including several veterinary technician specialists), assistants and client liaisons. We are fully equipped with in-house lab (including COP and TEG), ultrasound, and capabilities for mechanical ventilation, direct pressure monitoring, TPN, etc.

CUVS has board-certified specialists in Emergency-Critical Care (3), Internal Medicine (4), Surgery (2), Oncology, Ophthalmology, Dentistry & Oral Surgery, Dermatology, Cardiology and Sports Medicine & Rehabilitation, as well as advanced Interventional Radiology-Endoscopy. **We have a truly exceptional and unique culture that makes for an unparalleled work environment. This culture prioritizes and values the veterinary technician and their essential role in the clinical team.**

Our doctors and technicians are a cohesive team of professionals who strongly believe in collaboration, communication, respect, and lifelong learning.

We are dedicated to helping our team members develop to their fullest potential, and are proactive in assisting each individual to achieve their professional goals. Many of our technicians are credentialed veterinary technician specialists (VTS) or are being mentored toward VTS certification. We also have a developed Nursing organizational structure with leadership positions and training. **Why choose a hospital that offers you a job, when you can choose a hospital that offers you a career?**

Located in Harbor Point, Stamford, on Connecticut's "Gold Coast", the area offers beauty, a rich cultural experience, and myriad water and other outdoor activities. We are 45 minutes from Manhattan and minutes from commuter trains and the Interstate, offering easy access to other parts of New England and the Northeast.

CUVS offers an outstanding compensation package with excellent pay structure and terrific benefits that include CE allowance, matching 401k, medical, dental, pet, disability and life insurance.

CUVS is a great place to utilize and grow your skills in a challenging, rewarding, fun, and respectful environment. Individuals with a passion for their work, a strong sense of collaboration, and an appreciation for diversity are strongly encouraged to apply.
